

Wonder what this  
thing does?

## THINGS STARTED OUT INNOCENTLY ENOUGH

Talk about humble beginnings, this little piggie empire started in Mike Wilson's garage. There he would smoke, among other things, pork butts. Eat what he could, give the rest to friends. Word spread. Soon strangers would roll up to Mike's place and he'd sell 'em a sack full. Now, we'd love to tell you how smart we are and that we made all the right moves to get from Mike's garage to right here, but the truth is we've done just about everything wrong. In fact, looking back it's a miracle we're here at all. If there was a secret to our success, it has to be that we were too stubborn and too stupid to give up.
